CERTIFICATE OF ATTENDANCE

Rifat Medjedovic (Montenegro)

has successfully completed the 15th EULAR Ultrasound Trainers Course in Rheumatology [TTT] 2026

This course took place in London, United Kingdom, on Tuesday, 2 June 2026.

The EULAR Ultrasound Trainers Course in Rheumatology (TTT) provides training for rheumatologists aiming to organise EULAR-endorsed basic MSUS courses and to progress to Level 2 of the EULAR Competency Assessment in Musculoskeletal Ultrasound (MSUS) in Rheumatology. The course covers how to plan and deliver MSUS courses, lead hands-on workshops, and assess participants knowledge and skills.

This certificate recognises 100% course attendance from the participant.
